

Roundwood Reservoir Vartry Trails

Upper Vartry Trail

Grade: Easy **Distance: 6.4km** **Approx. Time: 1hr 30mins**

This trail skirts the edges of the upper reservoir and has some steep inclines. There are panoramic views of Sugarloaf and Djouce Mountains and meandering paths through woodland.

Woodland Trail

Grade: Easy **Distance: 3km** **Approx. Time: 45mins**

This trail follows the short steep-sided cutting linking the Upper and Lower Vartry Reservoirs through stands of one hundred year old Scots Pine trees. Great Crested Grebes breed here on floating nests and are regularly sighted from this walk.

Lower Vartry Trail

Grade: Easy **Distance: 7.2km** **Approx. Time: 2hrs**

This trail follows lakeside paths and country roads with fantastic views across the water. Watch out for the Ballaun stone on the waters edge. When water levels are low, the old bridge that used to cross the river Vartry can be seen.
